

Baja Christian Ministries Prayer Letter 4/11/03

Dear Prayer Partners,

Our Wonderful God is raising up an abundant flow of His people to go and to serve many poor families, in small Baja Villages. As they plant and water they are bringing forth a rich harvest for our Lord. In the next week alone, as of today, nine houses and six latrines are being built. In the 3 weeks to follow, another 19 houses and 5 latrines are being built totaling 28 houses and 11 latrines in the next month. There will also be much evangelism, food distribution, and various forms of blessing that will flow forth and multiply.

Please lift the following prayer requests:

1) Please cover the following house-building and outreach church groups in prayer:

a) Dennis Breckenridge of a team from Foothill Vineyard in San Dimas, CA started today, Friday morning building 1 house and 1 latrine 4/11-13

b) Pastor Mike Kenyon and team from Irvine Presbyterian, Irvine, CA, to build 2 houses from 4/11-14

c) Pastor Bill Staffierri and team from 1st Baptist Church, Fountain Valley, CA, to build 1 house from 4/11-15

d) Pastor Paul Gendron and team from 1st Presbyterian, Visalia, CA, 2 houses, 2 latrines from 4/13-19

e) Pastor David Ricketts and team from Solana Beach Presbyterian Church, Solana Beach, CA is building 3 houses, 3 latrines from 4/14-18

These groups will all be engaged in various other outreach opportunities to reflect Christ as beacon light to the community surrounding these house-builds. Pray that many lives would be touched and blessed and that many would be saved and reconciled to our wonderful Lord Jesus Christ. Please pray for their protection and blessing. Also pray for Cheryl Walker, Hector Rubio, Marcos Fraser and myself as logistics, facilitation, preparation and equipping are orchestrated through the grace of our Lord.

Please also pray for Rob and Carolyn Covell, Jimmy Jimenez and myself as we leave in about an hour to join up with the groups to do some evangelism, visitation, prayer and relationship building. Pray for divine appointments and power of the Holy Spirit to rest upon us and all the groups as they minister and are ministered to. I enclosed a rewrite of a poetic prayer I penned entitled "Passion of God Rise in my Heart". Please read through this and pray this blessing and His empowerment upon us all. Thanks very much! With Much Gratitude, Bob Sanders---Poem Follows--->

Passion of God Rise in My Heart

(John 7:38, 2Peter 1:19, Romans 16:20, Psalm 36:8-10, Eph 3:20)

Almighty God fashion my heart and mind to be fearless and brave
Triumphant... to the uttermost ... empower and save!
Jesus Christ, Morning Star--- Rise Up Gloriously in my heart
Surround me with Your Strong Shield of Faith that deflects every fiery dart
All Wise God, vanquish every ploy that is schemed to bring my defeat
Mighty God of Peace swiftly crush satan under my feet
Fire of God, purify every fear and ignite flames of courageous belief
Upon the accuser pour hot coals to shame this devouring thief

Fire of God, purify every fear and ignite flames of courageous belief
Upon the accuser pour hot coals to shame this devouring thief
Mighty Eternal Power and Authority of Jesus' Saving Blood
Be fully appropriated to cleanse and evaporate satan's cruel accusing flood
Baptism of Fire, Ignite Exuberant Faith that establishes Christ's Mindset to win
That Liberates us fully from the defeating consciousness of sin
And Brings to Blazing Flame God's Unfailing Love within
Consuming Fire enflame my inner being
With Zeal For Your House that consumes me
Pour Fresh Holy Spirit Oil to Fuel this Hot Fiery Flame
Of Fervent Passion and Enthusiasm for Your Name
Sweet Holy Spirit I'm Yours, consecrated, and set apart
Lavishly Spread Your Ointment of Healing Love within my heart
Dry up every bitter spring that's become ingrown
And Uncap Sweet Springs in me that are yet unknown
To an Effusive Exuberant Overflow.
Comforting Lover of my soul
I long for and pant hard after You
Evaporate polluted springs of strife
And Richly Pour in Your Torrents of Abundant Life
Holy Spirit Passion that Burns Hotter
Dissolve blockage and break through
Break Up the Fountains of the Deep
To Burst Forth Your Rivers of Abiding Peace
Rise up Mighty Waters
As a Pure Artesian Well
To Quench the Destructive Flames of hell
Rivers of Delight, rush forth and abundantly flow!
Sweet Springs of God abound so the world might know
that You are more precious than we could ever ask or think.
Artesian of God, Rise up Exuberantly, so we may lavishly drink!
Ocean of Love swell our hearts with joyous waves of rippling peace
To taste and see Your Infinite Goodness that shall never cease.
Sweet Arms of Unbroken Fellowship embrace me to sweetly abide
In the Secret Place of the Most High
Hide me within Your Heart of Unfailing Love, Deep Inside
All Powerful Holy Spirit continually Jumpstart
Your Fresh flow of Passion to Rise In my Heart
