

Baja Christian Ministries Prayer Letter 7/22/04

Dear Prayer Partner,

We have had many exciting and fruitful things that have happened in the past two weeks. I will share a full update with you next week. I have two prayer requests that I ask you to please lift before the Lord:

1) Tom Dunn, the first pastor I ever brought to Mexico 20 years ago, is leading a team from Vineyard Community Church of Covina, CA. Please pray that God would bless this new team...that He would protect them and fill them with joy as they build a house and reach out in His Name.

2) Please pray that God would send an abundant influx of finances into this ministry.

Thank you for your prayers. They are much appreciated! With Gratitude, Bob Sanders
