

Baja Christian Ministries Update and Prayer Letter 9/30/05

Dear Prayer Partners,

After a huge weekend of ministry last week, we have yet another big weekend along with a very busy fall season through to year end thanks to our God's grace and goodness. We are so grateful to our King and to all of our wonderful partners, groups, prayer warriors and their effective prayers.

Twelve homes were built last week along with much other evangelism and outreach and now 4 homes are being built this weekend. I'm not prepared to give you an update now but did want you to see these wonderful photos sent to me by Pastor Ed of New Harvest Church who built two of the 12. Notice some of the artistic detail the group did to make these little homes even nicer for these families. Click photos for enlargement: <http://www.invisionit.com/mexico9-05/> I hope to give a more detailed update in the next couple of weeks.

Andy Kimmich and his team from Ocean Baptist of San Diego, CA, is in Baja now building their first home with us this weekend. Ruth Akahoshi of Cerritos Baptist Church of Cerritos and her team is teamed up with long standing veterans Dave Bower and Bob Allen to build their first home with us as well.

Don and Susie Klien and Larry Frost are coming in tonight with their team from Grace Community Church of Seal Beach, CA, to build 2 houses. Hector Rubio and Cheryl Walker will be joining them along with my son, Joshua Sanders, a present BCM intern, and Daniel Walker, Cheryl's son, a future BCM intern in a few weeks. Grace Community Church also has professional cooks with them and will do their annual banquet feast serving hundreds open air amongst the poor along with a hired Christian mariachi band. I will be taking a team out to do open air and house to house evangelism tomorrow and Sunday. If you have time you might like to link to some wonderful testimonies of some of their team members from past trips. <http://www.grace-sealbeach.org/baja.htm>

Please pray God's rich blessing, protection, and fullness of joy on all of these laborers of our King serving in this Baja harvest. Please pray for many to be saved, encouraged and built up in the Lord and refreshment upon all of us!

BCM in the News: Recently in the last 6 months we have had a great deal of gracious exposure like never before that is really helping our ministry. We are so grateful for this kind blessing to help us drive in the stakes and extend out the cords! The most recent article is written by Australia journalist, Mark Furler, brother to Peter Furler of the Newsboys. His story, The Gospel of Hammer and Nails, was recently placed in Christianity Today magazine. Dave Bower has linked this article and the 3 most recent Baja articles and news reports, 20 the Countdown Magazine, Trader Daily, and a news article by Assist News Service at this site: <http://www.bajachristian.org/thepress.htm>

Please pray for strength, endurance, resilience and refreshment for our team at this time as well greater financial release to our ministry. Thank you for your kind and loving prayers.

With Gratitude, Bob Sanders
